

### **Product: Fusion FX Bar 5**

The American DJ Fusion FX Bar 5, a member of the popular Fusion Series, has three effects built into one unit. It features a TRI Color LED Moonflower, LED Strobe effect and an ADJ “Galaxian Style” red and green laser. Users can activate this effect by Sound Activation, linking them in a Master/Slave configuration, by DMX-512 protocol, or by using the easy-to-use UC3 Controller.

The Fusion FX Bar 5 is energy efficient. It only draws a maximum of 32W, uses long-life LEDs rated at 50,000 hours, and can run all night with no duty cycle. Easily connect multiple Fusion FX Bar 5s together via the In/Out DMX connections, as well as, the In/Out IEC power connectors. The Fusion FX Bar 5 is a great value offering three effects on the same fixture, plus many professional features that make using this lighting effect enjoyable and rewarding.
