

Product: Revo III

Join the LED REVolution in special effects lighting with American DJ's "REVO" LED Effects Series! With the use of the latest LED Technology, American DJ LED Moonflower effects produce bright multi-colored beams of light; has a low power draw, produce very little heat and last up to 100,000 hrs!

American DJ LED Moonflower Advantages (versus traditional halogen lamps):

- Extremely Long Life (100,000 hr. rated)
- Very low power consumption - connect more units in a single circuit
- Runs extremely cool! - NO Duty Cycles! – Run all night!
- Razor sharp beams
- Colors don't fade in time

Specifications:

- LED DMX-512 Moonflower with sharp Red, Green, Blue & White Beams
- 7 LED Clusters - 392 total LEDs: 140 Red, 105 Green, 84 blue and 63 White
