

Intimidator™ Spot LED 350

FEATURES

- Feature-packed, moving head spot fitted with a 75 W LED
- Project crisp gobos from nearly any distance with the motorized focus
- Split the beam and cover a larger area using the 3-facet rotating prism
- Suitable for every event with either black or white housing
- Quickly and easily change gobos using the easy-access gobo door
- Achieve super-smooth LED fading with the built-in, electronic dimmer
- Throw light farther by decreasing the beam angle by 5° using the manual zoom
- Project light where you want it with user-selectable pan and tilt ranges
- Minimize programming time with built-in effect macros and move-in-black feature
- Save time running cables and extension cords by power linking multiple units
- Continuous shows with individual reset of pan/tilt, color, gobo, prism and focus
- Sound-activated programs dance to the beat of the music
- Generate a synchronized show in master/slave mode with easy-to-access, built-in automated programs
- Fits best in the CHS-50 VIP Gear Bag
